

# Gourmet Heat & Serve Dinners To-Go

Tuesday · Wednesday · Thursday

Pre-order and pickup 2 - 5 PM at the Black Prong Office

We know preparing food at the end of a long day can feel exhausting. We're here to help! The weekly dinner menu will be posted online each Monday. Orders must be placed online by 6 PM the day before. All you'll have to do is heat your meal and it will be ready to enjoy!

## How it Works:

1. Visit the Galloping Gourmet online to place your order.

  - Only dinners for the next day will be available to order. If you want a dinner later in the week, please return the day before to place your order.
